PURPOSE

During the past year, the Normans of Beverly High have established themselves in their strengthened and beautified buildings. Since such an improvement has been made in the reconstruction of the buildings and in the landscaping of the surrounding grounds, we may pause and survey the wonderful work which has been carried out for the betterment of our school. It is a fitting time for us to do so, because it is the twenty-fifth anniversary of the founding of the Beverly Hills School System. For our theme, the staff of the Watchtower for 1938 has chosen to review the twenty-five years of existence of the School System. Pictorially as well as editorially will this theme be celebrated throughout the book.

Mrs. Alice O. Hunnewell, a member of the first Board of Education of Beverly Hills, was chosen to write the foreword. She has watched the growth of our city and has seen five schools rise to take the place of the one small school which stood here a quarter of a century ago, and she has played an important part in helping to build the foundations for our present system of education.

Mr. Edward J. Hummel, who has been the superintendent of the Beverly Hills School System since 1925, has written for us a brief history of the system.

Since its acquisition by the Beverly Hills School System, Beverly High has made huge strides forward. It is our earnest hope and desire that her first twenty-five years will be as full of success and achievement as those of her pater familias —the Beverly Hills School System!

BEVERLY HILLS BOARD OF EDUCATION

HISTORY

The year 1938 marks the twenty-fifth anniversary of the Beverly Hills School District. The district was created in 1913 by the County Board of Supervisors at the request of residents of the community. Mrs. Alice O. Hunnewell, who served so effectively for many years on the Board of Trustees, was largely responsible for its establishment. At that time Beverly Hills had less than fifty families. The only school was a one-room building in Coldwater Canyon.

In 1914 the Hawthorne school site was acquired and a building erected. In the "twenties" the growth of Beverly Hills was very rapid, necessitating the building of Beverly Vista School in 1924, the El Rodeo School in 1927, the High School the same year (built and operated by the Los Angeles board of Education), and the Horace Mann School in 1929.

Beverly Hills was a part of the Los Angeles City High School District from 1921 to 1935. In this latter year, following a vote of separation by the people of Beverly Hills, the local Board of Education took over the jurisdiction of the High School. In 1936 our elementary and high school districts were merged into the Beverly Hills Unified School District.

The past twenty-five years has seen the district grow in enrollment from a handful of children in a one-room school to an enrollment of 2325 in the elementary schools and 1543 students in the high school. From the inception of the district to the present, the highest educational goals have been the objective of those entrusted with the operation of the schools.

FOREWORD

Salutations and congratulations to the graduates of the Anniversary Class of 1938 of the Beverly Hills School District.

What magic in the caption—"Twenty-fifth Anniversary!" It connotes to one that something in human endeavor has come to fruition; that the roots of organized effort have gone deep into the foundation of family life, business interests, or civic welfare.

When one considers the import of the twenty-fifth anniversary of marriage, one must conclude that certain attributes have made such a long period of companionship endurable. The twenty-fifth anniversary of a business or professional organization emphasizes the fact that fundamental unswerving principles of good business have been observed.

This year, nineteen hundred thirty-eight, is the twenty-fifth anniversary of the founding of the Beverly Hills School District. As a member of that small civic group of citizens that has made this anniversary possible, may I state that the initial board was composed of individuals of unimpeachable character and successful business and professional experience. They were imbued with the highest ideals of the true meaning of education and a determination to staff our first school with teachers of distinction, scholarship and civic mindedness. Such granite standards gave this school district a firm foundation upon which subsequent school boards were to expand and strengthen.

Graduates of the Class of 1938: You are now completing the first major unit in the span of human existence. That you may enter this "combat of living" with intelligence, you have been moulding the armor of character. Upon this shield, through various media of discipline, you have engraved honesty, responsibility, co-operation, loyalty, and courtesy. As you go forth to play your part upon the stage of life, use this equipment which you have created. Finally when all your yesterdays are past, the Master of all good works shall say, "You have fought a good fight; you have finished the course; enter thou into the joy of thy Lord."

A quarter century anniversary is a good time to designate just where we stand: what good our past has contributed, what we can make of the present, and what the future holds in store for us.

The past cannot be made over, but we can sift out the good and determine to hold fast to it; we can recognize the bad and determine to eliminate it.

The present is in the making, and we can never minimize the importance of what we are doing now. We may be so close to it that we lose perspective, but to be effective we must strive to attain a proper balance and adjustment in all our activities. We can never indulge in cheap excesses that we do not want to affect us, for everything we do contributes to our real selves. We are the sum total of everything we have been and are now becoming. Our futures are in the making, and we shall be a little less fine permanently if we do not stand for the best now.

The future offers much for a student body such as ours. Exceptional people can do exceptional things, but only if they realize their abilities and responsibilities. Whether we reach the heights, or plumb the depths, or just attain mediocrity depends entirely on us. As intelligent individuals we should stop and take inventory. We have the power to determine what we will be, what measure of leadership and responsibility we will assume.

Arnold A. Bowhay.

In commemorating the 25th year of the public schools in Beverly Hills, we are paying tribute to those citizens who came to Beverly Hills with the ideal that this city should become the finest of residential communities. When Beverly Hills took control of this high school three years ago, many citizens and a large majority of our student body and of our faculty believed that Beverly Hills High School could be the finest high school in the country. Much progress has been made in the achievement of such an ideal in the past three years—most particularly during this year.

To live in Beverly Hills and to attend its high school is to give to each Norman an opportunity and a responsibility to develop the best there is in him.

May each year of your stay in the halls of Normandy record great advances in your personal achievement and development!

G. H. Ayers

An anniversary is a time to stop and take stock of accomplishments in relation to goals. One need not be particularly ashamed of the discrepancies that may exist between them if one has been honest in one's striving, constructively critical of one's shortcomings, and zealous in continued effort. The world has little patience with alibis; it recognizes results. It should be, therefore, a matter of extreme satisfaction to those responsible for the advancement of education in Beverly Hills that they can point with pride, as achievements, to the school system, to the various opportunities for adult education promoted over this period, and to the fact that the standards of the community are those which command respect not only in the immediate and surrounding districts but also in distant places. The first twenty-five years may be the "hardest," but they are also the most important, for on them are built the achievements of the second twenty-five. Let us then guard our ideals as expressed in those achievements and march forward to a new place in the history of our community.

JAMES R. LEE
Student Body Auditor

In writing this final farewell message to the Student Body, I feel that it is my privilege to express the gratitude which is foremost in the heart of every graduate in the class of summer thirty-eight.

After the completition of Beverly in 1928, the administration of the first few years created a solid foundation upon which the following administrations might build. And those following administrations did build, indeed! Beverly was tempered, developed, and molded, until, four years ago, we, as freshmen, entered an institution worthy of the highest praise in esteem, beauty, and character.

I know I am speaking for our entire class when I say it is our sincerest wish that we leave Beverly just a step higher in esteem, a little more beautiful, and a grade richer in character than when we entered. Then we shall have done our part in helping Beverly to progress towards the perfection to which she aspires.

To put in words the sincere appreciation of the Board of Commissioners to the Student Body as a whole for the cooperation during the Spring semester would be impossible. Thank you for making the past five months the most pleasurable I have ever known. Until we meet again,

Goodbye and good luck,

When we enter high school, we are at a very impressionable age, an age of great significance in the development of our character and personality. The development of these is intangible, and perhaps the most important part of our education. Strangely enough, however, in this we receive no tutoring, for it cannot be taught. It depends upon the individual to mold his own character and his own personality. The friends we make, our attitude toward our curricular work, and the initiative we show in entering into school activities are important elements in our development.

Here at Beverly we are fortunate in having a willing and cooperative faculty to assist us and environmental conditions that are far superior to the majority of high schools. Yet some students fail to appreciate and take advantage of these exceptional opportunities and upon graduation can only look back on four wasted years.

Apply to yourself the motto of the school, "TODAY WELL LIVED," and your remembrances of Beverly will always be a dream of happiness, and you will look to the future with a vision of hope.

In closing, may I express my sincere appreciation for your friendship and loyal cooperation.

I hope this will visit the last page of each of them

GIRLS' LEAGUE

Every girl in the Student Body is a member of the Girls' League. The officers, who are elected by the League, elect committee chairmen. These officers and chairmen, otherwise known as the cabinet, meet every Monday to discuss the business of the Girls' League. On September 29 a tea for mothers of the 9th grade students was given. On October 6 the traditional Big and Little Sisters' party was held with a farm theme carried out. In order to make money for charity, the Girls' League sponsored a play, "The Rear Car," on November 19 and 20. On December 2 the Girls' League held another tea for the mothers of the 10th, 11th, and 12th grade students. On December 15 the Girls' League gave a party for the students at Albion Street School.

The second semester began with the Big and Little Sisters' party on March 17. The theme was a kid party and was carried out cleverly with lollypops and hair ribbons. The Girls' League conference was held at Redondo Union High School on March 18. On May 6 the Girls' League sponsored a Student Body dance and on June 1, the tea for lower grade students' mothers was given.

BOYS' LEAGUE

Every boy in the Student Body is automatically made a member of the Boys' League at the time of his entrance. The main purpose of the League is to further the general welfare of all the boys in our school, and to cooperate in every way to help the faculty and Student Body government.

The Boys' League is governed by the Boys' Cabinet, composed of a President, Vice-President, Secretary, Treasurer, and six associate judges of the Boys' Court.

The Boys' League has several events during the year. At the opening of each semester they hold a Big and Little Brother party for the new boys. This custom was started a few years ago and has become a firm tradition. The Boys' League assembly for boys only is always an interesting assembly.

Working for the good of the school is the main purpose, and in the past this objective has been reached.

BOARD OF COMMISSIONERS

The Board of Commissioners consists of all the officers of the student body, the heads of the Leagues and school publications, and the presidents of the Knights and Alphas. Meeting every two weeks in Mr. Bowhay's office, they appropriate money from the student body fund for various uses of the school, act on matters pertaining to school clubs and their constitutions, pass amendments to our school constitution, approve the awarding of athletic awards, and authorize all school affairs. The President of the Student Body acts as chairman, and Mr. Bowhay, Mrs. Davis, and Dr. Ayers supervise all activities.

BOYS' COURT

Under the capable direction of Dr. Ayers, the Boys' Court meets once a week for the benefit of those boys that need a small bit of advice in regard to the rules of the school. The court keeps on file the date and charge of each boy turned in, and marked improvement has been shown in some boys due to the actions of the court. The ten members of the court are elected by the Boys' League and all are capable and very understanding. The Knights act as a supreme court and each week some Knight has the privilege of attending the court meeting.

GIRLS' COURT

The girls' court is organized and enforced to further girls' discipline in school. It is under the sponsorship of Mrs. Grace Rathwell and the leadership of the supreme judge, or Commissioner of Girls' Welfare. Six judges decide the fate of those girls who break the rules of the school.

The first term supreme justice was Pat Loy, and her court consisted of Virginia Lee Boyden, Diana Burke, Martha Darbyshire, Judy Sherman, Gloria Somborn, and Mary Stewart. The second semester, Norma Louise McKenzie presided over the court. The judges were Diana Burke, Theo Frisbee, Ann Ellen Harris, Barbara Knapp, Mary Pabst, and Doris Jane Sherman.

AUTO PATROL

The Auto Patrol is one of the many safety organizations in the school and is composed of a group of older boys. Their duty is to prevent students from moving their cars during school hours and to inspect the neighborhood gathering places in search of students who have violated the school rules and gone off bounds. The boys who are chosen must have a driver's license because it is necessary to use automobiles for patroling. The Auto Patrol has the safety interest of the school in mind at all times. This is necessary because the parents of the students must be assured of a maximum of safety while their children are in school.

BOUNDS COMMITTEE

The members of the Bounds Committee are a group of students desirous of aiding the school by enforcing the school laws. It is the duty of the Bounds Committee to see that all students are on the school limits during school time. The committee does a great deal in helping the school to maintain safety.

HALL GUARDS

Under the capable direction ot Mr. William Morrison, the Hall Guards keep the Norman halls free from students who are apt to annoy classes in session. The quietness of our halls has been noticed by all visitors and alumni, and credit must be given to these loyal students. This branch of school service is usually performed by students in the tenth grade. A successful Hall Guard must be dependable, courteous, and consistent.

The Captain of the Halls is Russell Vail. Paul Hagadorn is in charge of IVa period, and Gordon Tappam is in charge of IVb.

FRESHMAN COUNCIL

The Freshmen Council was introduced last semester by Miss Alida Parker and Mr. Leonard Steimle to unite the ninth grade classes. The council is made up of officers of the ninth grade and representatives from the B9 and A9. This year their activities have included a freshman dance, a beach party, and the annual tree-planting ceremony on the lower lawn of the grounds.

First semester officers were Bill Reeder, president; Don Frisbee, vice-president; Bonnie Iverson, secretary; John Champion, treasurer.

The officers during the second semester were John Champion, president; Bill Davidson, vice-president; Betty Stern, secretary; Bill Davis, treasurer; Don Frisbee, A9 representative; John Stewart, B9 representative.

PALLADIANS

The Palladian Society was organized in Beverly on December 5, 1927, and today it is officially known as Chapter 185 of the California Scholarship Federation. Its membership started with forty-eight in the organization, and now its present number is 132.

The major purpose of the Palladian Society is to foster high standards of scholarship and general attainment on the part of the students in this high school. This purpose is accomplished by offering scholarships in many California colleges and universities to the students with high scholarship and excellent citizenship records.

The Society is sponsored by Mr. Wendall Black and Mr. Norman Fjeldsted.

Officers: President, Marcelle Fortier and Sylvia Berry; Boys' Vice-President, David Seabury and Frank Ruziecki; Girls' Vice-President, Marjorie Ann Smith and Sylvia Berry; Secretary, Marjorie Ann Smith and Irene Kahn; Treasurer, Constance Bridge and Max Willardson.

ALPHAS

A girl is made an Alpha as a reward for outstanding citizenship, scholarship, and sportsmanship. Candidates are recommended by the faculty and voted in by the members. Girls belonging to secret sororities are not eligible for membership. The aims of the society are willing service and participation in school activities. Philanthropic work is the main activity of the Alphas. The girls send Thanksgiving baskets to the needy, brighten the Christmas season at the Albion Street School with contributions, and give financial aid to girls through a special fund which is in charge of Mrs. Davis. Other Alpha activities include the Benefit Tea and the Alpha Dance. Alphas may be recognized by their royal blue sweater with the white A. Mrs. Blanche E. Davis and Miss Margaret White are the sponsors of this organization.

EAGLE CLUB

Under the direction of Mr. Leonard Steimle, the Eagle Club has gained the reputation of being one of the oldest and most prominent clubs in the school. It is primarily a service club, having a select group of scouts from the high school who have reached the rank of Eagle scout, and it serves the school in that capacity. It is also active in its service to scouting in the Beverly Hills district by assisting at all Boardof Reviews and Court of Honors.

Officers: President, Philip Hutchins; Vice-President, John Masters; Secretary-Treasurer, Walt Schoenfeld; Sergeant at Arms, Tom Harms.

Members: Harry Bennett, Bill Dentzel, Ames Fischer, Marvin Gunter, Tom Harms, George Holstein, Philip Hutchins, John Hutsler, Warren Koer, Ralph Lingenberg, John Masters, Jere McWethy, Bob Reuter, Walt Schoenfeld, John Strock, Harley Taylor, Bill Veneman.

RADIO CLUB

A unique and modern club is the Radio Club sponsored by Mr. Steimle. Their first incentive for organization is to take care of and operate school sound equipment in the auditorium and at athletic events. Secondly, members are assisted in radio theory, technique, and construction with the aim in mind of being amateur radio operators with a station license. The last and most longed for desire is to secure and operate an amateur radio station for Beverly.

CHAPTER 768, NATIONAL FORENSIC LEAGUE

The Beverly Hills High School Chapter of the National Forensic League was granted its charter early in this semester and has the unusual distinction of having two national winners among its charter members, Robert Hine and Robert Libott. Membership in this national honor society is awarded by achievement degrees on the basis of both victories and participation. Yearly application from the various schools for charters number about 800, while less than 20 are accepted. Mr. Charles Wright is the sponsor.

Officers: President, Robert Hine; Vice-President, Ruth Mellinkoff; Secretary-Treasurer, Robert Libott.

Members: Wooten Bailey, Harry Bennett, Sylvia Berry, Eddie Feo, Arthur Fields, Irving Hellman, Leonard Hirsch, Phillip Hutchins, John Hutsler, Dick Katerndahl, Lois Lee, Don Mankiewicz, Elaine Mitchell, Terry Mullin, Harrison Negley, Marjorie Ostrander, Ruth Oxender, Sam Price, Naomi Reiner, Homer Rydell, Lawson Schwer, Amos Sherwin, Leslie Swabacker, Harley Taylor, Bob Ulman, Alex Whittle, Avis Weinstein, Ben Wooster, Marie Wood.

INTERNATIONAL STATESMAN

At the start of the spring semester the World Friendship and Junior Statesmen Clubs combined forces to to organize the present International Statesman group. Members of the organization attempt to encourage the understanding of other people, create interest in the problems of good citizenship and government, and to achieve a world outlook on current problems, thus practicing the principles of the two former clubs. Under the dual sponsorship of Mrs. Florence Fast and Mr. William Quandt, the club is fast becoming a well liked and influential organization in Beverly. Officers of the World Friendship and Junior Statesman Clubs are included because they were active in the fall.

Officers:

STUDIO CLUB

Primarily, the Studio Club, sponsored by Miss Margaret Brown, was organized to encourage social life among members of the Art Department. The members must be above the ninth grade, and have a previous semester of art in which a grade of A or B was received. These members sponsor two big projects during the year, the student body dance in the Fall semester and the Spring Art Festival. The meetings include a variety of activities such as; an invitational dinner once each semester, trip to the Russian Ballet, visits to current exhibits with the purpose of selecting pictures for the Art Festival. Usually in the Spring semester sketching trips are made and a beach party is planned.

Officers: President, Leon Lyon and Betty Ann Sherman; Vice-President, Betty Ann Sherman and Charles Kennedy; Secretary, Marian White and Connie Upham; Treasurer, Charles Kennedy and Sid Cagan.

Members: Peggy Beyer, Jane Billings, Gloria Bardfield, Josephine Binford, Susan Bowerman, Joan Benham, Doris Brainard, Betty Jean Carson, Sidney Cagan, Bob Crawley, Wilhemena Doerrier, Maxine Deason, Phyllis Easton, Charlene Foell, Jane Friedenthal, Dona Sue Finnen, Geraldine Fenning, Betty Fritts, Clement Gilbert, Ralph Gabriel, Mary Jane Goldbloom, Happy Graves, Joan Glassell, Marvin Gunther, Clarice Hattenback, Pat Hassett, Ann Ellen Harris, Joanne Hargraves, Emile Hyde, Rugh Hanna, Pat Jones, Rita Johnson, Charles Kennedy, Shirley Klingelsmith, Leon Lyon, Roy Mitchell, Millicent Murphy, Mary McMillen, Bill Moses, Beverly Joyce Newman, Edith Nichelson, Norman Nicholson, Sara Norton, Deborah Nye, Philip Parker, Norma Patterson, Nadine Phillips, Beverly Plaut, Don Pleshette, Barbara Ellen Pierson, Sarah Ray, Ruth Reasoner, Harriet Ruth, Betty Ann Sherman, Geri Steigerwald, Sheridan Stanton, Dudley Swinburne, Bob Thompson, Doug Thomas, Rosemary Tallant, Connie Upham, Emmo Williams, Marie Wood, Marian White, Joyce Wilson, Pat Young.

CARTOONISTS' CLUB

Formed only this semester, the Cartoonists' Club was organized to train and supplement the talents of its members. Having the distinction of being, probably, the only club of its kind in any high school, the members have but one goal in mind, and that is to have a course in cartooning included in the high school art curricula. Mrs. Bennett is the sponsor.

Officers: President, Paul Hagadorn; Secretary-Treasurer, Charles Walton.

Members: Anne Cooper, Paul Hagadorn, Bill Karback, Jack McQuethy, Malcolm Morehart, Ann Pilcher, Walt Schoenfeld, Clark Twitchell, Connie Upham, Bill Wallerstedt, Charles Walton.

FRENCH CLUB

The French Club, sponsored by Miss Mary Hurlbut, is one of the largest and most active language organizations in the school, and its membership is open to all students of French. Choosing as its motto the well known words of Thomas Jefferson, "Every man has two countries—his own and France," the club seeks to acquaint its members with French civilization through many interesting outside intellectual and social contacts. Among the distinguished people who have been speakers before the group and guests at tea are Comte de Cly, journalist from Paris, Marquis de Lorza, writer, Mlle. Leta May of the Paris Opera Comique, and M. Vidla, the French Consul. The club was signally honored when its members were invited to greet, in the name of the American students of French, his excellency M. Bonnet, ambassador from France, and Madame Bonnet.

Officers: President, Frank Ruziecki; Vice-President, Donas Jean Kennedy; Secretary, Margaret McPherson and Louise Stern; Treasurer, Blossom Akst and Don Mankiewicz.

Members: Blossom Akst, Betty Ann Albright, Marjorie Anderson, Adrienne Banovitz, Patricia Bernard, Sylvia Berry, Betty Black, Betty Bloom, Jean Bower, Marilyn Bowker, Betty Brown, Carl Carpenter, Beverly Cawston, Glory Cedar, Charlotte Calori, Betty Duchand, Margaret Duhig, Marguerite Echternach, Elsa Edwards, Margaret Ellsworth, Fred Erickson, Rochelle Friedberg, Theo Frisbee, Stephen Gebelt, Elaine Gerberding, Frances Gold, Elinor Gold, Phyllis Graubord, Don Haines, Alice Hammerstein, Allen Harris, Marilyn Hawly, Nancy Heinz, Mary Margaret Henn, Hal Hodges, Barbara Jones, Donas Jean Kennedy, Elizabeth Kennedy, Gloria Kutler, Bill Lasky, Elaine Liljeros, Margaret McPherson, Henry Magnin, Mae Magnin, Lucien Marquis, Margit Marquis, Virginia Mattoon, Virginia Mauzey, Marilyn May, Natalie Mayer, Ruth Mellinkoff, Frank Merkling, Edward Moffat, June Moris, Joycelyn Mulford, June Newins, Susan Pray, Marilyn Perkins, LeRoy Pirr, Donald Pleschette, Noble Powell, Martha Powell, Geraldine Price, Audrey Roster, Frank Ruziecki, Dona Sandler, Irene Schuette, Laura Seabury, Dorothy Standard, Louise Stern, Nima Sweet, Ethel Tobin, Marilyn Tousley, Jacquelin White, Charlotte Weinberg, Virginia Wellons, Edith Wolf, Twyla Yorkshire, Gregory Odd Young.

LOS QUIJOTES

Becoming too large, the Spanish Club divided, with Los Quijotes the name for the upper grade division. This group desires to become more familiar with Spanish customs and manner of life. Their activities for the past year included a banquet at Olvera Street, Christmas parties in the traditional manner and afternoon meetings featuring Spanish and Latin-America speakers. Climaxing the year's program both Spanish Clubs sponsored an assembly at which the Padua Hills' Players presented colorful songs and dances.

Officers: President, Matt Mahana and Tim Fogel; Vice-President, Bill Richardson and Jeanne Biggar; Secretary, Jeanne Biggar and Betty Beal; Treasurer, Frances Hackleman.

S.P.Q.R.

Senatus Populus Que Romanus is one of the consistently largest clubs in school, disproving the idea that Latin is a dead, uninteresting language. Miss Frances A. Griffin, sponsor, states that the purpose of S.P.Q.R. is to gain a more thorough knowledge of Roman life, customs, and language; to understand better the cultural value of Latin; and to interest our fellow students therein. Many entertaining and interesting activities such as the toga-clad initiations and annual spring games are a part of the club's program.

WATCHTOWER

For eleven years the Watchtower class has annually presented a publication recording the classes and student activities of the Beverly Hills High School. The class gathers material from school life and compiles it into an interesting and artistic book. The publication takes its name from the tower of our school which watches over the campus and campus events.

This year our Watchtower has seen great changes take place. With the student body moved back into the buildings and the Beverly Barracks of last year replaced by beautifully landscaped grounds, Normandy started afresh in both appearance and spirit in September of 1937.

If the transformations and traditional activities which have taken place since then are presented interestingly and informingly, then the aims of the editorial and art staffs of this annual have been accomplished.

HIGHLIGHTS

To present the news of the week, feature writing on school life, interesting sidelights on social activities, sports stories and predictions,—all these are the aims of the "Highlights," Beverly's school paper.

Since September, 1935, the "Highlights" has been published under the direction of Miss Eunice Schmidt, journalism adviser, and Mr. Andrew Good, printing adviser. Through the efforts of these teachers and their staffs, the Christmas edition, the sixteen page Senior Supplement, and numerous six page papers have been published. During the second semester a Boys' Edition and a Girls' Edition also appeared.

SECOND SEMESTER

With the acqusition of a linotyping machine in February, a new policy was inaugurated whereby the body type of the paper was set up in the print shop. As only headlines and advertisements had to be sent to the professional linotyper, this schedule greatly lessened the expense and time that was formerly needed to publish the paper.

STAGE CREW

Each year certain students are selected from the Stage Construction and Stage Mechanics Classes. This group must be especially profficient, for they constitute the Stage Crew.

The "crew" stages all assemblies. Their most important assignments are Color Days and Senior Plays. Their efficiency is proved by the continual success of these productions. The group is sponsored by Mr. Robert Whitten.

ORCHESTRA
BAND

ORCHESTRA
BAND

Through its splendid drilling and playing at sports events, Beverly Hills High School has come to be justly proud of its band. Lead by Mr. George Wright, this organization has presented a comparatively new activity to Beverly students, and a capable band has developed.

In April the newly-organized symphonic concert band, in collaboration with the glee clubs, presented a concert to raise money for new drum major uniforms. The seventy-piece organization proved itself a success musically as well as financially.

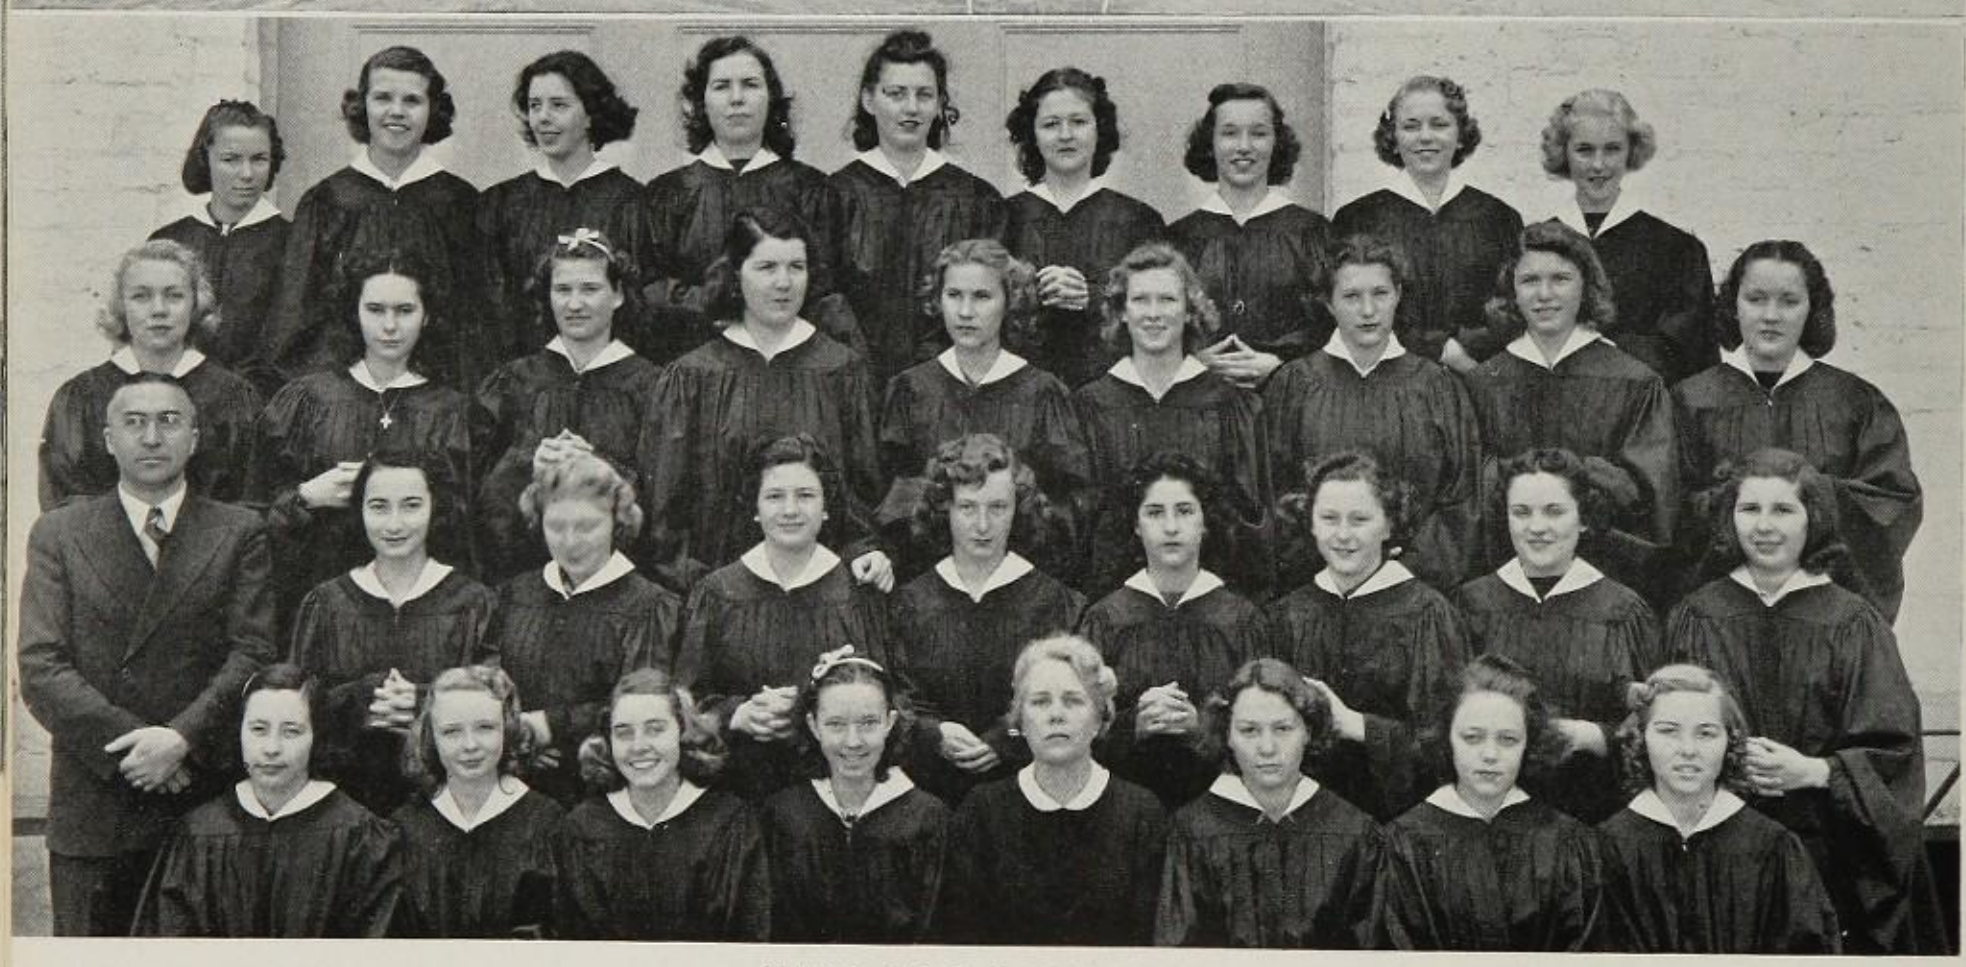
Entering the Southern California Band and Orchestra Competition Festival, the band received first rating, thus becoming eligible for the National Championship Contest to be held June 24-25 in Los Angeles.

Among its other accomplishments, the Norman band won the American Legion Award for the best appearing band in parade.

Composed of many of the same students as the Norman band, the orchestra has familiarized itself to the student body through its performances at both Senior plays and Color Days during the last year. The orchestra also played at the presentation of "The Rear Car" and at graduation exercises.

Winning first rating at the Southern California Band and Orchestra Competition-Festival, the orchestra enabled Beverly Hills High School to be the only school entered to win first rating for both band and orchestra.

On June 9 the orchestra presented a program with the A Capella Choir. It has also presented concerts to the students of El Rodeo and Horace Mann Grammar schools.



SENIOR GIRLS' GLEE CLUB
JUNIOR GIRLS' GLEE CLUB

GLEE CLUBS

Composed of girls with some previous singing experience, the Girls' Advanced Glee Club specializes in three-part singing with accompaniment.

Directed by Mr. Glen Case, the club appeared on the Norman Parade and took part in the Band and Glee Clubs Concert. In the latter program, the Girls' Advanced Glee Club combined with the Girls' Beginning Glee Club in several selections, including Gilbert & Sullivan's familiar "Three Little Maids from School" from the "Mikado" and "Dawn" by Curran-Deis. They have also appeared before the Beverly Hills Women's Club, the Beverly Vista Women's Council, and the High School P.T.A.

Organized for girls less trained in glee club work, the Girls' Beginning Glee Club, like the advanced organization, specializes in three-part work with accompaniment. Like the other glee clubs, it also has been presented over the Norman Parade and has participated in the concert with the band.

A new class presented this year was the Voice Class, directed by Mr. Glen Case, in which solo voices are developed. The voices are selected by Mr. Case and trained in individual singing for radio or light opera work, or for individual enjoyment.

BOYS' GLEE CLUB
A CAPELLA CHOIR

Specializing in four-part work with accompaniment, the Boys' Glee Club has contributed its share to Beverly's musical programs by its presentation over the Norman Parade and its part in the Band and Glee Clubs Concert.

In the latter program, their selections included "Proudly As The Eagle" by Spohr and the English folk tune, "Drink To Me Only With Thine Eyes."

Singing "in the style of the chapel," or without accompaniment, the A Cappella Choir has appeared in many school programs.

The Christmas Vespers, winter and summer baccalaureate services, and a concert with the orchestra on June 9 are among its contributions to this year's activities.

Trained by Mr. Glen Case to perform before the public without accompaniment, the eighty-voice A Cappella Choir has also performed on the Norman Parade.

Haig Wilson is president and Norma Louise McKenzie is vice-president of the organization.

DEBATE AND ORATORY

In addition to winning two national championships, Beverly's forensic squad has piled up an enviable number of victories this year. Our debate teams have defeated all the other schools of the league, in addition to defeating many of the large universities. Among the latter are Stanford, the University of Southern California, and the University of California at Los Angeles.

Because of their victories in every field of speech work, Beverly Hills High School was designated the leading forensic school in this state by the national speech magazine, "The Rostrum."

In the USC tournament, Bob Hine won first place in original oratory, Irving Hellman and Robert Libbott placed first in B division debate, and Leonard Hirsch and Don Mankiewicz took second place in A division debate. Irving Hellman and Harry Bennett took third in extemporaneous speaking and declamation respectively. Irving also took second place in the Southern California Debate League Extemporaneous Speaking Contest.

DEBATE SQUAD

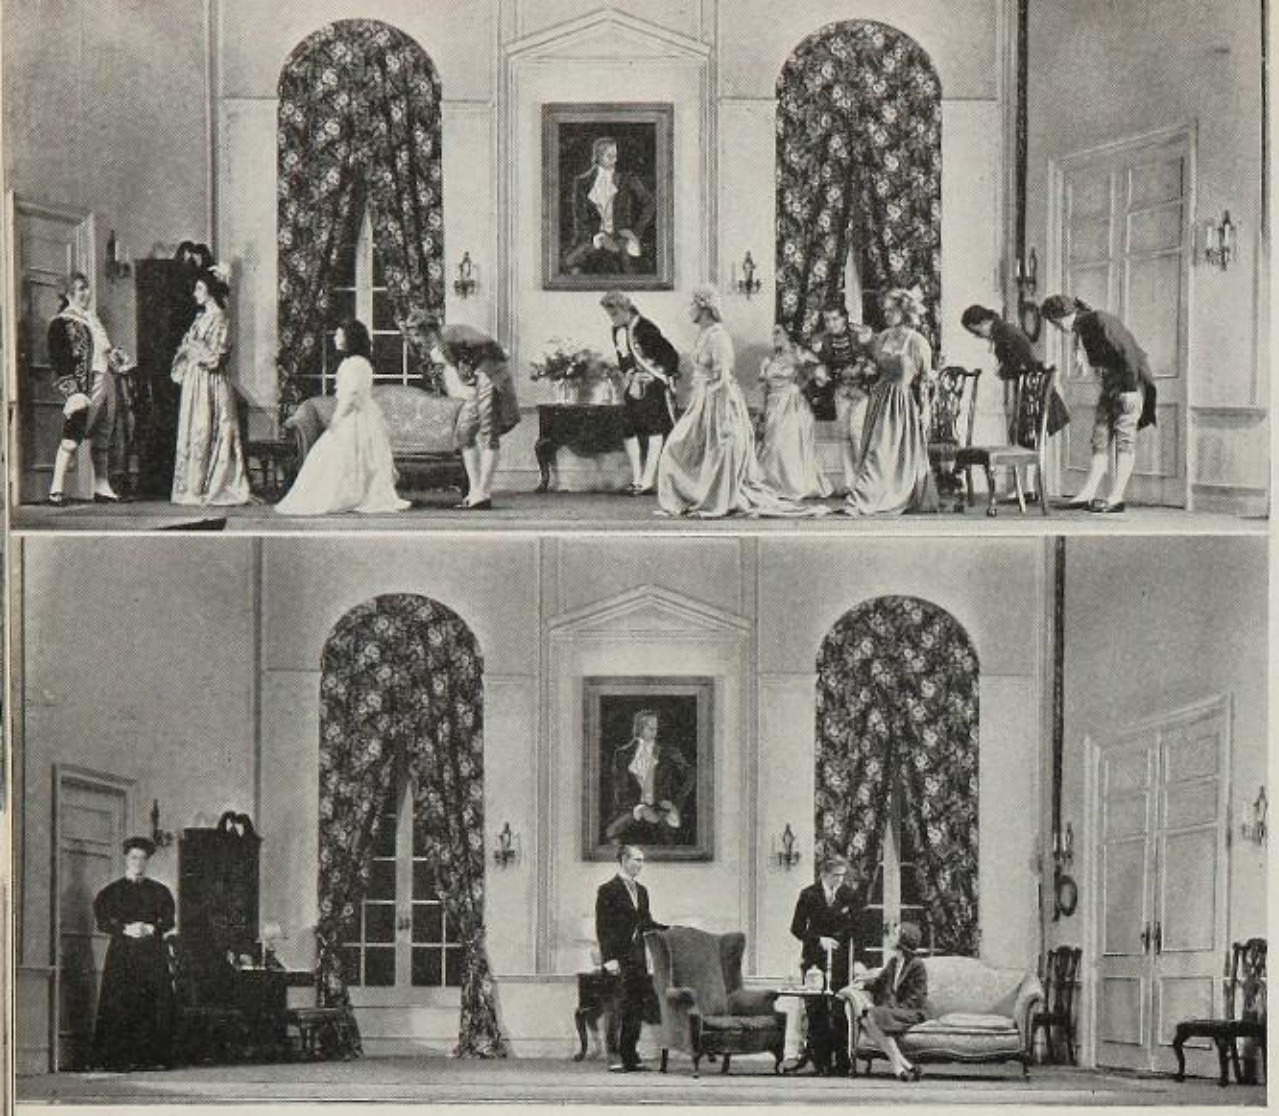
At the California State Tournament at Redlands, Bob Hine won second place in original oratory, Irving Hellman second in extemporaneous speaking, Don Mankiewicz third in humorous declamation, and Lillian Hoenig third in dramatic declamation.

In spite of all these accomplishments, probably the most admirable victory of the year was won by Bob Hine when he placed first out of seven hundred fifty contestants from forty states in original oratory. Bob's address, "Three Small Nations," was awarded the national championship at Wooster, Ohio, in the National Speech Tournament held there. At the same contest Irving Hellman placed twelfth in extemporaneous speaking, and the two boys, with their coach, were enthusiastically received by the faculty and student body when they returned from Wooster.

At the Southern California Debate and Oratorical League Tournament, Leslie Swabacker and Don Mankiewicz went through ten rounds of debate to win the S.C. debate title. Because of this victory, together with the fact that Leonard Hirsch and Robert Libbott placed third in debate and Robert Libbott was awarded a first place silver cup for his oration "Why?", the Norman forensic squad was awarded the tournament gold trophy.

Among these many achievements, Beverly High won the Stanford University silver cup for defeating all other schools in the S.C. Debate and Oratorical League, and Bob Hine and Harry Bennett won first and second respectively in the area eliminations of the Toastmasters International Public Speaking Contest.

Ably coached by Mr. Charles F. Wright, the debate class has justly deserved the splendid reputation that it has made in speech activities.



BERKELEY SQUARE

The contribution of the class of Winter '38 to Beverly's dramatic history was **Berkeley Square.** Written by John L. Balderston, it was undoubtedly one of the most difficult plays to present, especially to a high school audience.

Exceptionally well cast, lavishly costumed, and nicely staged, it will add its name to the roster of performances to be remembered.

It was directed by Miss Gene Neilson, capably assisted by Nancy Andrews.

PRIDE AND PREJUDICE

Climaxing an eventful semester, the Senior class of '38 presented a new dramatization of the Jane Austin novel "Pride and Prejudice," by Helen Jerome, directed by Mr. Robert P. Whitten. The three sets used were designed and constructed by members of the stage costume and design class and the stage construction and mechanics classes, under the supervision of Mr. Whitten, drama and technical director, and Mrs. Verna Phillips, art director.

An enjoyable comedy full of humor and sentiment, "Pride and Prejudice" centered about the determination of the inimitable Mrs. Bennett to get her daughters married. Jane, Lydia, and Elizabeth were likely looking girls in an unlikely looking period when a woman's one possible career was matrimony. The play deals with the duel between Elizabeth and her pride and Darcy and his prejudice. Each gives in before the evening ends, and pride and prejudice meet halfway.

Bud Cohen and Peggy Rea acted as student directors, while Edie Blum served as production manager.

"Pride and Prejudice" takes its place as one of the most satisfactory, interesting, and effective dramatizations ever presented at Beverly.

COLOR DAY WINTER '38

Usually one of the most outstanding entertainments of the term, Color Day is also remembered as the day the Senior A's present their sweaters and class song to the student body.

One of the most unusual Color Days ever viewed at Beverly was presented by the Class of Winter '38. Written by Henry Isaacs, the main scene was laid in an insane asylum, and more than half of the Senior A's took an active part.

Outstanding acts included a Charlie McCarthy-Edgar Bergen gossip skit, a duet by Bob Moore and Gordon Payne, and a clever parade of all the inmates of the "bug house."

Heading the cast of characters were Henry Isaacs, George McConnell, Bill Sackheim, and Douglas Cloakey.

Directed by Mr. Robert Whitten, credit is also due to the stage crew and stage mechanics classes who handled the construction and lighting of the sets, and to the many students who served on the production staff of the program. The class song, "Remember Us," was written by Bill Sackheim.

COLOR DAY SUMMER '38

Against the background of Ezra J. Peabody's Cutthroat Emporium in Hangnail Junction, the Senior class of Summer '38 presented their Color Day. Sponsored by Miss Mary Jenkins and Mr. James Knauer, the program included a swing trio, a Floradora sextet, and a modern Big Apple.

Bob McKim, Roscoe Karns, and Gene Alair played the leading parts. Alair and Karns, as show producers, arrive at Peabody's Emporium with their troops. They present their acts while Hangnail Junction's native population wanders through the General Store.

The production staff included Peggy Rea as chairman; Edie Blum and Tom Conlon, production managers; Frank Glicksman and Betty Ann Sherman in charge of publicity; Sam Bever as stage manager; and John Strock and Bill Lewis as assistants.

The Senior A class song, written by Frank Glicksman and Edie Blum to the tune of "Thanks for the Memory," climaxed the program when it was sung by the entire cast.

SHAKESPEAREAN FESTIVAL

Placing Shakespearean drama where it may best be enjoyed, on the stage, the Shakespearean Festival gives English students an opportunity better to appreciate the great author's works.

Produced under the direction of Miss Gene Neilson, with sets designed and constructed by Mr. Robert Whitten's Stage Construction Class, the festival achieved its third successful annual program.

Representative scenes were chosen from the following: Taming of the Shrew, Merry Wives of Windsor, Macbeth, the Merchant of Venice, Midsummer Night's Dream, Anthony and Cleopatra, As You Like It, Othello, and Hamlet. The players were Blossom Akst, Nancy Andrews, Bob Austin, Sylvia Berry, Jimmy Butler, Karin Clark, Bud Cohen, Jack Donoghue, Frank Glicksman, Bill Griffis, Nancy Heinz, Lillian Hoenig, Jane Lloyd-Jones, Yvonne Junquist, Georgia Mae Krebs, Phil Leonard, Norma Louise McKenzie, Ruth Mellinkoff, Bob Moore, June Nelson, Tom Oakey, Peggy Rea, Gloria Regal, Jack Rich, Larry Rose, Jack Rosenberg, Dick Shattuck, Mary Sumner, Jane Thornton, Leslie Tyler, Bob Vordale, Haig Wilson.

VERSE CHOIR

This year, Beverly High's noted verse reading choir, sponsored by Miss Gene Neilson, gave readings over stations KFI, KMPC, and KECA. Their numerous other performances included a program for all English teachers in Los Angeles County, a comedy program for Horace Mann grade school, and the Christmas Vespers.

Radio station KFI offered them a sustained program. They were forced to refuse, however, because they could not get releases on the poetry.

Besides vocal praise, this accomplished group has received letters of congratulation and commendation for many outlying cities as far north as Oregon.

THE REAR CAR

Presented by the Girls' League and directed by Mr. Frederic Spellicy, "The Rear Car," by Edward Rose, proved to be one of the most exciting mystery comedies ever presented at Beverly. Taking its setting in the last car of a train headed for the East, the play presented a strange group of passengers, all of whom are eventually suspected of an ingenious murder. Up until the final curtain, the story was a continuous comedy of exciting events.

Characters in the play were portrayed by Virginia Mattoon, Mary Sumner, Alfred Woodill, Bob Hine, Gordon Payne, Bob Moore, Larry Rose, Homer Rydell, Barbara Knapp, Bob Dabney, Frank Glicksman, and Bill Erwin.

Lillian Hoenig as assistant director, Jean Doane as designer of the modernistically furnished set, Norma Louise McKenzie in charge of ticket sales, and Patricia Scott and Kitten Hamilton in charge of ushering, all served capably to make "The Rear Car" remembered as one of Beverly's finest dramatic presentations.

SCENE FROM THE "POTBOILERS"

ASSEMBLY PROGRAMS

Assemblies are presented for the combined purpose of recreation and information. Appearing almost every week, they offer an opportunity for release and relaxation from regular studies.

One of the most outstanding assemblies of the year was the Christmas Vespers, presented by the art, speech, and music departments.

The verse reading choir rendered appropriate selections, accompanied by Tableaus. The most important of these was "The Ballad of the Harp Weaver" by Edna St. Vincent Millay. The background was a huge cathedral window in front of which was seated the A Capella Choir in white collared robes of deep maroon. They offered beautiful Christmas hymns and carols.

Other assemblies of the year were a visit from Hal Burdick, radio story-teller, motion pictures on the Conservation of National forests, a rally and awards assembly at which Joe E. Brown was guest speaker, a one act play, "The Pot Boilers," presented by Mr. Whitten's drama class, and an assembly given by the Radio Speech Class.

CAPTAIN JERRY GINGRAS—Being captain of the 1937 football team required a lot of leadership and exceptional ability in playing the game in order to gain the respect of such an outstanding team. Jerry Gingras had these qualifications. For being light and small, Jerry was a marvelous lineman. A three-year letterman, first string All League, and chosen on the fourth string All-Southern California, Jerry won himself a scholarship to Washington State College.

COACH WALTER HERRIED—Headman Herried is one coach that deserves all the praise and recognition that he can receive. Only two years at Beverly, he captured the Bay League Championship. Showing remarkable talent to inspire his boys to their best football, Herried has always been well liked by the players and the student body. With his amiable disposition, and ability to coach, Walt Herried will always turn out effective football teams.

F O O T B A L L

THE SEASON

The 1937 football team was one of the finest ever to represent Beverly on the athletic field. Led by Captain Jerry Gingras, Lefty Erwin, and Jack Rosenberg, the Norman eleven succeeded in winning the Bay League Championship and finishing the season untied, undefeated, and unscored upon in league competition.

With Erwin, Brown, Gingras, Rosenberg, and Elliot returning from the year before, the future of the squad looked favorable. In the first two practice games the Beverly footballers trounced Santa Paula and Muir Tech 48-0, 20-6, respectively. They met their first defeat at the hands of a much stronger Fairfax eleven 13-0. The Fairfax team later won the Western League Championship. The next week they swamped the Washington gridders 20-0.

They entered their first league encounter with Leuzinger quite confident of victory. However, the Norman team met with tough opposition and were fortunate in pulling a 6-0 victory out of the fracas. They were troubled with the same stubborn resistance of a losing team against Redondo and again were fortunate in winning by one touchdown.

After Santa Monica had trampled Redondo and Leuzinger by three and four touchdowns, the Beverly team faced the Samohi Vikings in their annual grudge game, rated very much the underdogs. Coming through like a fighting band of Normans of yore, the Beverly eleven upset the dopesters and soundly defeated Santa Monica 7-0, which, of course, cinched the Bay League Title.

In the Inglewood game the Norman eleven really hit their stride and annihilated the Sentinels 26-0, in their most decisive victory of the season.

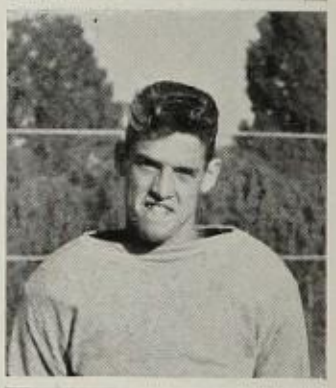
BROWN
Quarterback
Brown played a difficult blocking position very well. Second string All-League and two year letterman.

WELLS
Halfback
Another sophomore who has a wonderful athletic future. He was an improved half this year and should star next season.

SPENCE
Tackle
Spence was the biggest man on the squad and played his tackle position well. Saw two years of experience.

O'REILLY
Halfback
Fast, tricky, and brilliant was Jim O'Reilly. He should be star of the team next year. Will be a three year letterman.

Good luck to Beverly



ERWIN
Fullback
Lefty Erwin was the outstanding back in the Bay League this season and is one high school star who should do well in college. Two year first string All-League, and on All-Southern California choices this year.

WILLIAMS
Halfback
Making use of his natural ability, Williams vastly improved over his last year's Bee showing and developed into Beverly's most capable halfback. Fast, good tackler. Placed after Erwin for scoring honors.

ELLIOT
End
Only a sophomore and already a two year first string end and All-League choice for this year. Elliot has a great athletic future. Steady.

SMITH
Guard
A first string guard who played well enough to keep in pace with the rest of the line. A halfback from last year. Letterman.

MASON
Tackle
Most improved player on the squad. Mason had lots of fight and won for himself a first string spot.

DE BAUGH
End
A good football player who needed nothing but experience. Fast. Good tackler.

KIRST
End
Four years of football and Kirst won himself a starting position. Lots of fight.

MANVILLE
Tackle
Started as a halfback and made a first string tackle. A good place kicker and punter.

B. LAVERTY
Halfback
Small, fast, and hard to catch describes Bob Laverty. He was greatly improved half this year.

ROSENBERG
Center
A mainstay of the team for two years. Rosenberg was awarded All-League this year.

R. LAVERTY
Guard
A big boy with a lot of fight. Should be outstanding on the line next year.

WINDSOR LYNCH
Manager

Playing El Monte in their first and last California Interscholastic Federation contest, the Norman eleven was defeated in the waning moments of the game by a last minute touchdown pass just after they had fought their way to a 7-6 lead.

Outstanding in the backfield were Lefty Erwin, who was the star of the Bay League, and Maurie Brown, signal caller and two-striper. Playing the stellar spots in the line were Ian Elliot, end; Jack Rosenberg, center; and Jerry Gingras, guard. All five returned from the '36 squad and were chosen on the All-League teams.

Tops in sportsmanship, ability, and fight, the team played to its ability in almost every case and will be remembered by the school for a long time.

THE GAMES

LEUZINGER 6-0

Playing over-confidently and raggedly, the Norman eleven opened the Bay League season badly. The home squad finally scored in the second half when Williams passed to Laverty for 20 yards, Erwin plunged 10 yards, and Williams dove over the Leuzinger line for the needed yard to pay-dirt. The defensive play was the outstanding element of this contest and Gingras, Brown, Rosenberg, and Erwin were the mainstays.

REDONDO 7-0

The Beverly footballers met the Redondo team at their best and fought hard to pull the one touchdown victory out of the game. The lone tally of the game came in the third quarter when Williams flipped a pass to Brown who scampered to the goal line. Manville converted. The Normans exhibited a strong offensive attack and played their usual good defensive game. Offensively, Laverty, Wells, Williams, and Erwin shone; Gingras and Rosenberg played good defensive ball.

CEE AND DEE BASKETBALL

The Cee and Dee Casaba teams both finished fourth in League competition. This is excusable, however, for both teams were hounded by hard luck. Coach John Canady was stricken with pneumonia just as both teams were really getting under way. Coach Brown and Bob Barr then took over the teams until Mr. Canady was out of the hospital.

Between the two teams they lost five games by such small margins that it was anybody's game until the final gun.

Tom Harms and Frank Ingram formed the nucleus for the Cees, while Sherrill and McGee were outstanding for the Dee team.

To one swell
fellow that is a
our friend
Bill Hillard

CAPTAIN BILL HILLARD. Leading a losing team is one of the most difficult jobs that could be wished on anyone. However, Bill Hillard can be praised for the fine leadership he exhibited in carrying his team through defeat after defeat. He was, indeed, the star of the nine, leading them in batting and playing any position that was required of him well. Here's everything to Bill Hillard, truly a fine captain and ballplayer.

COACH CANADY. Building teams from green, inexperienced material seems to be the job that faces Coach Canady each year. This season he whipped a fine defensive ball club together and succeeded in inspiring his boys to play baseball far above their ability. With his fine regular spirit, continual chatter, and drive, Mr. Canady proved to be an excellent guiding hand for the '38 baseball team.

CONCOLINO
Pitcher
First string pitcher. Considered a good ball-player by opposing coaches. A good fielder. Another year.

BORCHARD
Shortstop
A good consistent fielder. A hard worker who will be hard to replace next year.

THE SEASON

Although finishing in the cellar spot, the 1938 baseball team enjoyed the most successful season in three years. Strong defensively in every position, the team lacked the hitting ability to be effective in winning a ball game. However, previous to this year, the baseballers rarely held their opponents' scores down below the teens. An important factor in diagnosing the failure of the baseball team is that they met some of the strongest baseball schools in Southern California in league competition. Most of the beach towns play hardball all year-around from kindergarten on, while at Beverly the team receives very little support from the student body, and the interest is bound to run low from the players' standpoint. However, this year Coach Canady received his largest turnout, and it appears that interest and talent are starting to develop.

Opening their practice schedule with University, the nine lost a thriller at a 9-11 score. They followed this with four loses to Hamilton, Muir Tech, and U.S.C. and U.C.L.A. Frosh before they won their only game of the season from Susan Dorsey, 6-4.

The Norman nine came very close to winning one or two of their league games, but they lacked the hitting punch to put any runs across the plate. They scored their one league tally against Samohi.

This year the uniforms for the team were purchased by the American Legion from the proceeds raised from the Compton game.

Baseball at Beverly is bound to come back. We can count these last three years as a background for the future championship teams.

PATTERSON
Second Base
A little, fiery, redheaded second sackman who was consistent with his fielding and batting. Senior.

SAMPTER
Pitcher
A relief pitcher who has two more years on the mound for Beverly. A pitching stylist.

HOUSER
Second Base
A freshman who relieved Patterson at first. Should be heard from in later years. A real natural ball-player.

KINDELON
Third Base
Alternated with Hutsler. A good fielder. Fair batter. Senior.

VIRGIN
Catcher
A new man to the diamond who filled the catcher spot left open by Paul Thompson. Had a lot of chatter and fight.

DONOGHUE
Center Field
A center fielder with a good arm and good judgment for fly balls.

LUGERS
Left Field
A small man who filled in for Hillard. Improved. Senior.

HUTSLER
Third Base
The most improved player on the squad. Worked at center field. Returning.

BARTON
First Base
Led the team in fielding. Steady and slow. Another year.

EDDIE FEO
Manager

THE GAMES

LEUZINGER, 2-0

The outstanding factor of this contest was the no-hit no-run game pitched by Nitahara of Leuzinger. He struck out 18 Beverly batters. The Norman team played its usual good defensive ball, but seemed baffled by the opposing pitcher. Sampter and Virgin composed the Beverly battery.

COMPTON, 4-0

In their second league encounter the Beverly baseballers were again held scoreless, and, except for Bob Kindelon's single, hitless. Concolino pitched good ball for Beverly, and McHamar of Compton struck out 11 Norman men.

REDONDO, 4-0

Running true to form, the Norman baseballers turned in a good defensive game and were held practically hitless. The Seahawk batters caught Concolino for six hits. Lugers entered the starting lineup. Hillard caught.

SANTA MONICA, 7-1

The Viking nine scored six runs in the first two innings. Concolino then settled down, and it wasn't until the sixth that they found him for another tally. Hillard caught this game. In the sixth inning Barton scored the only league run for the Normans. They found Hamlett of Samohi for three hits.

INGLEWOOD, 2-0

Found for three hits and two runs in the second, Concolino pitched sterling ball for the remainder of the game. Borchert and Lugers got hits. This game closed the season for the Beverly nine.

GOLF

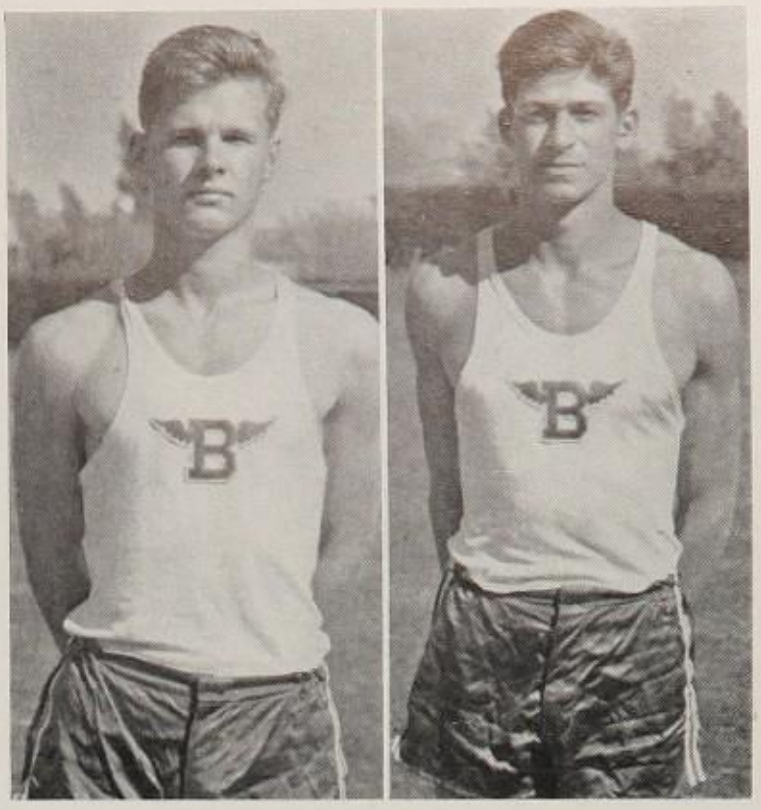
Although handicapped by injury and ineligibility, the Norman Golf Team defeated Inglewood in the final league match of the season to win the Bay League Title for the third year in a row.

Four days before the last match with the Sentinels, which decided the league championship and possession of the coveted Iron Man's Cup, Greg Kelly, first man, injured his hand seriously impairing his golf stroke. To make the prospects for Beverly darker, Frank Bernard was barred from the Inglewood course.

Without the services of Bernard, the golfers still defeated Inglewood, giving Beverly another championship.

Other members of the team included, Hellman, second man, Ingram, Price, Katz, and Vordale. Coach Alfred Nicholas has proved himself a truly remarkable golf coach by giving Beverly three championships in as many years.

Coach Brown



To a real guy who is ready to help DeBaugh

CO-CAPTAIN PAUL DeBAUGH. After four years of track, Paul was honored by his team members in his election to the captaincy. At the start of the season Paul was first man in three events: high hurdles, low hurdles, and the hop-step-jump. During the season he suffered a heel bruise which set him back considerably. However, he placed second in the Bay League finals in the high hurdles. The high hurdle record is 16.3. Last year Paul smashed it, unofficially running 16.1. This year he has broken it numerous times but can't seem to make it official. Being modest, unassuming, and polite, Paul made the finest type of captain.

CO-CAPTAIN WARREN LEWIS. Running into the same hard luck as DeBaugh, Lewis came down with a severe cold which ruined the latter part of the season for him. Last year Lewis broke the school record in the 880 and this year he was prepared to crack it again, when he was stricken with this cold. A really fine fellow in every way, Warren Lewis deserves credit for the way he has handled his co-captaincy.

COACH CHARLES BROWN. Having coached six championship teams in his three years at Beverly, Coach Charles Brown really needs no other compliment. He has the ability to build the younger students into track stars, keep three teams moving at the same time, and keep his boys improving. It's no wonder that he produces championship teams. Being the finest type of man and coach, Mr. Charles Brown will always be a credit to Beverly athletics.

Chuck Kennedy

THE SEASON

The unfortunate but thoroughly strong 1938 track team finished in third place in Bay League standing.

With DeBaugh, Lewis, Rosenberg, Spence, LaCava, O'Reilly, Sheranian, Wells, and Elliot returning from the championship team of last year, the future for the cinder path team looked bright. However, the team hit the Bay League Finals without Spence, Lewis down with a cold, and DeBaugh handicapped with an injury, which meant the championship. Compton and Inglewood tied for first place with 50 points apiece; Beverly was third with 47 1/2 points.

Being at its peak during the early part of the season, the track team enjoyed a successful practice session with only one loss to their record, and that was against Glendale. They defeated University, Hamilton, and Poly.

In the dual meet championship Beverly started out strong, defeating Samohi, Leuzinger, and Inglewood before they were taken by Compton, who won the dual meet cup.

Returning next year to gladden the eye of Coach Brown are Jimmy O'Reilly, Jack Wells, and Ian Elliot. Coming up from the Bees will be Martin Lieberman and Phil Shean.

Defending the cup won at Carpenteria last year, the Norman tracksters captured a third place behind Montebello and Compton.

CHUCK KENNEDY
660. Broke the Bee record at Carpenteria. Won the event in Finals running Bee. Made varsity letter running 440 in two meets. Best 660 time—127.7.

JOHN TURNER
Sprints. Second man in the 100. Right behind O'Reilly in most every race. Senior and first year out for track. Best time—10.2.

NAT SHERANIAN
Discus and shot put. Nat broke the school record in the discus at 121' 1/2". He was first man in shot put at start of season.

HARRY POPPE
Broad jump. Jumped Bee most of the time, but made varsity letter. Best jump—20' 10 1/2".

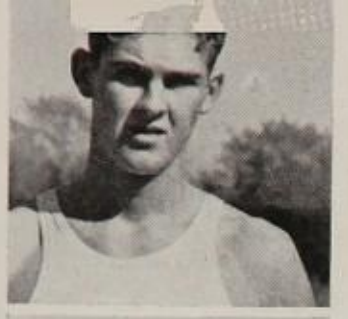
JIMMY O'REILLY
Sprints. No. 1 man in the 100 and 220. Hard worker. Returning. Best times — 100, 10.1; 220, 22.1.

ED SPENCE
Discus. Broke record set by Sheranian (unofficial). Ineligible in Finals. Senior.

PAUL CHRISTENSON
440. Came from last years' Bees to take a second in the Finals. Best time—53.0.

JACK ROSENBERG
Shot Put. Jack was beaten consistently by Sheranian at the first of the season, but emerged No. 1 puter. Took a fourth in the Finals. Best put—44' 9".

GENE CHAPMAN
High jump. Took a third in the Finals. Improved. Returning. Cleared 5' 10".



GIL LaCAVA
High jump and pole vault—Broke the Interscholastic record in high jump at 6' 7⅛". Took a fourth in finals in pole vault. Set new Bay League record in high jump at 6' 3$\frac{9}{16}$".

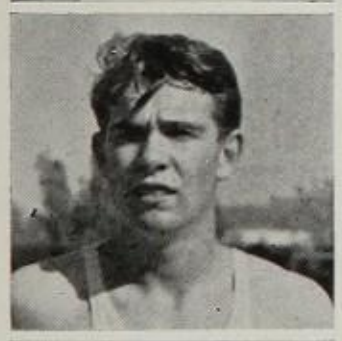
JERRY STORM
Mile. Went great guns at the start of the season but faded out later. Ran Bee part of the time.

IAN ELLIOT
Hurdles and high jump. Improved vastly over last year in high hurdles. Managed to clear 5' 11" in high jump. Returning next year to be first man in two events.

AMOS SHERWIN
Sprints. Amos did almost everything this year, including the sprints, hurdles, and relay. Senior.

DICK HOMEYER
High jump. Took second in Finals. Jumped 6' 3⅛" in So. California Prelims.

JACK WELLS
Hurdles. Jack finished third in Bay League Finals. Was No. 1 low hurdler at end of season. Returning.



FRED FOSTER
Shot put. Improved rapidly enough to take fifth in Finals. Returning.

NORMAN NICHOLSON
Shot put. Broke the Bee shot record at Carpenteria at 51' 9". Should hold Bee record in Bay League. Made varsity letter throwing discus and putting shot in dual meets.

BAY LEAGUE FINALS

Playing against the breaks, the Norman Track team placed third in the Bay League Finals. They garnered 47½ points, only 2½ points behind the league winners—Compton and Inglewood, and placed eight men and the relay team in the Southern California preliminaries.

The highlight of the meet was Gil LaCava's setting a new Bay League record in the High Jump at 6' 3$\frac{9}{16}$". Skafte of Redondo won both the sprint races, and Carter of Santa Monica took both hurdle races.

BEE TRACK

For the third straight year the Bee Track Team overcame all foes to win the Bay League Title. The team was captained by Martin Lieberman, sprinter.

Under the coaching of Mr. Charles Brown and Mr. Walter Herried, the lightweights emerged victorious in all the dual meets, besides winning first place in the finals.

The outstanding members of the team and their events are Norm Nicholson, shotput; Frank Ryan, pole-vault; Ed Hutsler, 100 and 220 yard dashes, relay; Harry Poppe, broadjump; Phil Shean, high jump, hurdles; Beresford, hurdles; Kennedy, 660; and Timko, 660.

CEE TRACK

Coach Brown's Cee Track Team went undefeated in dual meets this year, only to fall down miserably in the finals. They tied for second place with Leuzinger, Redondo winning the championship.

Bob Ullman was elected captain of the team. He was one of the most valuable assets to the Cees, competing in the low hurdles, broadjump, 100-yard dash, and the relay. High Point man for the season was John Champion. His events were the shotput and pole vault.

Other prominent members of the team were Jimmy Hull in the high jump, Jack Willis, broad jumper, Bob Shotwell in the 50 and 100-yard dashes, Harry Perry in the pole vault, and Ashmead Scott in the 660.

Vincent Yardum

TENNIS

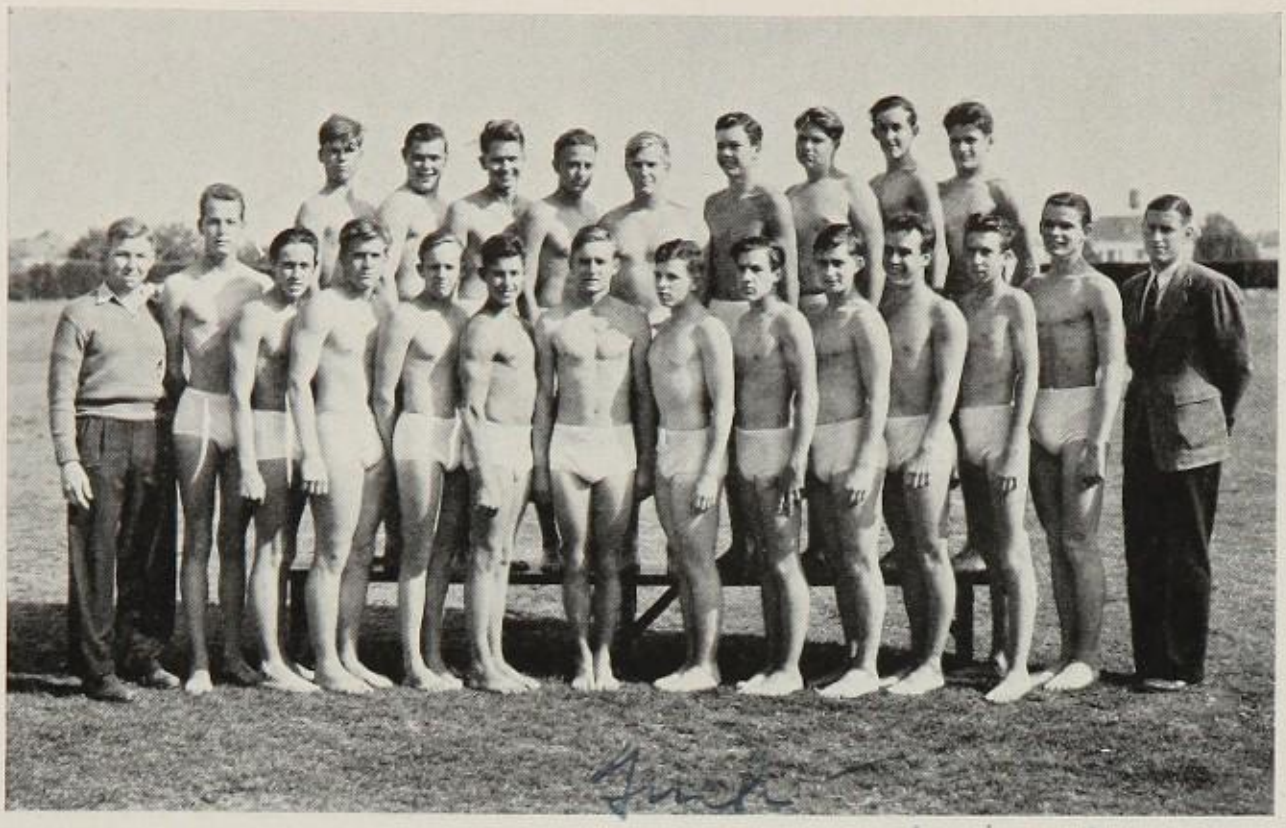
Claiming the best tennis team record in three years, the Norman racqueteers finished in second place, garnering two points for the school toward the coveted Iron Man Trophy.

The team was defeated only twice during the season, once by Fairfax on a one-point margin in a practice match, and once by Santa Monica in the championship deciding encounter. They claim victories over such strong tennis schools as Santa Barbara and Muir Tech, and they tied the frosh tennis team from U.S.C. In the league matches they defeated Compton 25-0, Leuzinger 25-0, Inglewood 13-12, and Redondo 13-12. The Santa Monica coach protested the Beverly line-ups, and a new system of scoring by counting a point a game was inaugurated for the match. The Normans were defeated 87-53.

Probably the high light of the tennis season was the feat of Arthur Marx, who reached the finals of the Ojai Tournament. This has been accomplished only once before by a Beverly student.

Outstanding on the tennis team were Arthur Marx, Ray Smith, and Captain Bill Chapman. Arthur Marx and Mike Zimmerman are the only two returning lettermen.

The team was ably coached this year by Mr. Kenneth Mitchell, who succeeded in keeping his boys playing top tennis all season.



Corky Smith

VARSITY SWIMMING

Coming through when called upon, the Norman varsity swimming team took a second in Bay League and garnered for the school the much needed four points toward the Iron Man Trophy.

In the championship deciding Bay League Finals the Norman swimmers placed behind Santa Monica to capture second place in Bay League competition and qualified six men for the Medley Relay team for the Southern California Preliminaries.

Those outstanding swimmers and divers who formed the nucleus of the squad this year were Captain Corky Smith, Tyler, Perry, McGilvray, Laverty, and Mark Smith.

In the practice dual meets the aquatic team defeated Venice and Black-Foxe, while in the League dual meets they were defeated by Inglewood and Santa Monica, but defeated Leuzinger.

BEE SWIMMING

Finishing in the third spot in the Bay League, the Bee swimmers scored two more points toward the Iron Man Trophy.

With Wilson, Captain Bausher, Maulding, and Narver leading the team, the lightweight swimmers enjoyed a fairly successsful season.

Probably the highlight of the season was Tommy Wilson's breaking two records. He set the back stroke record at 32.08, and set the new Individual Medley record.

In the practice meets the team proved itself to be four or five-man squad. However, in the Bay League Finals this proved to be an advantage, for each of these men took good places and put the Orange and White swimmers in the third spot.

GYM TEAM

Winding up the season by winning the Southern California Championship, the Norman gym team enjoyed its usual very successful season.

With victories over University, Fairfax, Los Angeles, Santa Paula, and Long Beach Poly, the gymsters suffered their only defeat of the year at the hands of Manual Arts.

In the championship C.I.F. gym meet the Orange and White swept almost every event and won decisively with a total of 79½. Harvard Military Academy garnered 31, Long Beach Poly 20½, Inglewood 14, and Santa Paula 12.

Outstanding on the team this year was sophomore Harry Perry. He scored over 100 points individually for the season and chalked up 17 points in the C.I.F. meet. He was active on the parallel bars, long horse, horizontal bar, and in tumbling. Chuck Bollar cracked the school record in the rope climb at 6.2.

G. A. A.

This year, under the hand of Barbara Anderson, Commissioner of Girls' Athletics, the G.A.A. thrived as a most successful season, as far as money goes. On her executive board were Marlys Nelson, secretary-treasurer; Isabel Darbyshire, vice-president; Marie Gilmore, song-yell leader; Betty J. Evans, fencing manager; Marty Pulliam, golf manager; Mary Powell, basketball manager; Pat Jameson, riding manager; Beverly Rogers; Miss Janet Patey, sponsor.

Starting off the season with a bang, the girls made money by selling candy at both performances of the Girls' League play, "The Rear Car."

On January 8 came the biggest and most successful event of the first semester. In order to obtain more money for their various activities, the girls put on a dance, the Spinsters' Hop. The idea was novel, for the girls asked the boys and took care of all masculine duties for that date. As it was so near Christmas, the decorations were largely made up of silver Christmas trees, and the scene suggested a winter wonderland. So successful was it, that it has been decided to give it annually in the winter semester.

On Saturday, January 15, the G.A.A. sent a number of representatives to an annual Girls' Athletic Federation Conference which was held at Anaheim. The girls were Barbara Anderson, Pat Jameson, Marlys Nelson, Marie Wood, Rosemary Tallant, Patty Kitto, Pat Cooper, and Dorothy Pagen, with Miss Patey, sponsor. The girls, gathered from all parts of Southern California, discussed how other G.A.A.'s were run, their awards, their activities, and other subjects. At an election, Beverly was given the privilege of holding the conference here next year, and as many Southern California schools participate in it, it is eagerly anticipated.

Several get-togethers were planned, one at the ice-skating rink, and one at the Rollerdrome. Another was planned with some of the money from the Spinsters' Hop. The girls played basketball and volleyball for an hour, and then refreshments were served.

Every semester a certain number of girls, preferably in the senior year, are chosen because of their outstanding work in the G.A.A. to have their names engraved on a silver cup. In the fall semester, Virginia Edington and Tru Bolin were chosen and thus honored. Virginia was president of the G.A.A. and active during her entire four years in after-school sports. Tru was active in sports for her entire four years and served the G.A.A. in many helpful ways.

The spring semester opened with Pat Jameson as the new Commissioner of Girls' Athletics. Her new executive board was comprised of: Diana Burke, vice-president; Marlys Nelson, secretary-treasurer; Marie Gilmore, song-yell leader; Dorothy Pagen, tennis manager; Patty Kitto, archery manager; Marie Wood, badminton manager; Rosemary Tallant, hockey manager; Jean Hogan, assistant hockey manager; Pat Cooper, speedball manager; Gerry Price, golf manager; Joan Benham, swimming manager; Pat Jameson, riding manager; Beverly Rogers, assistant secretary; Mrs. Anna Wilson, sponsor. The spring semester abounded in playdays, and brought about a change in the Beverly G.A.A.

The first piece of business was a recreational playday at Redondo, on February 28, with Beverly only participating. A return playday, very similar to the previous one, was given on March 7 with Beverly as the hostess.

Following on the heels of this was a basketball playday at Santa Barbara on March 19. This was arranged because Santa Barbara is one of the few schools who play two-court instead of three-court basketball. The two All-Star teams were sent north to the playday. Keeping in step, came a hockey playday at Griffith Park on March 26, to which Beverly sent two select teams. The annual Bay League playday was held at El Segundo this year on April 23 with all the League schools participating. Approximately sixty girls were sent to this playday.

Pomona College gave their annual spring playday on May 7. Ten deserving girls who wished to go to Pomona College were sent to this playday. A full and very interesting day was in store for the Beverly girls.

The final playday of the semester was the Bay League Swimming playday which was held at La Cienega on June 8 with Beverly as the hostess. On the following day a playday was held for Beverly only, with different races for each of the three classes of swimmers, beginning, intermediate, and advanced.

This semester another feature was added to the G.A.A. in the form of stationery. It had the G.A.A. emblem on it and was modernistically designed by Alvin Lustig, with Marie Wood taking care of the details.

Only one get-together was planned because of the numerous number of playdays for this semester. The event was an ice-skating party. The turnout greatly enjoyed themselves despite their falls and weak ankles.

G. A. A. (Continued)

To regulate the election of future G.A.A. presidents, an amendment was passed to the effect that a girl must have served on the G.A.A. executive board for at least the previous semester. This gives the girl a chance to know what is going on in the G.A.A. and what has to be done in the year she is in office.

A change took place in the Beverly G.A.A. in that the orange shorts, which had previously distinguished G.A.A. members from non-G.A.A. members were made the standard gym shorts, and smart looking emblems took the place of the shorts in order to distinguish active G.A.A. members. The G.A.A. bought the emblems and gave them to all active members, but had the privilege of taking the emblem away from a girl if she did not remain active. In order to be active a girl must attend at least seventy per cent of the sport night meetings for two semesters, or for one semester she had the privilege of attending G.A.A. general meetings which were held every six weeks and going out actively for some sport in the other semester. The new emblems were given at the annual G.A.A. Banquet at the end of the spring semester with a stirring ceremony.

BASKETBALL

Basketball, the most popular sport for girls, had a record-breaking turnout, which was managed ably by Mary Powell. The young but up and coming freshmen were led by captain Jane Warren. The B10's had two teams; one was under captain Mary Pabst and the other was under captain Jean Hogan. Captain Connie Bridge led the A10 team. Martha Powell captained the juniors, and Tru Bolin was captain of the fighting seniors. After a round of practices the teams clashed in two rounds of major games. Every game was worth looking back on, as the girls had improved their teamwork and their shooting tremendously from last year. For the second season in a row the mighty juniors were the champions, who won every game they played.

Two All-Star teams were chosen from the outstanding players, one consisting entirely of juniors, which was a special honor to the team. The girls chosen were Nancy Allen, Diana Burke, Isabel Darbyshire, captain Barbara Guedel, Pat Jameson, Betty Ann Marshall, and Jean Travis. The other team was composed of: freshman, Suzanne Frizzelle; sophomores, Martha Darbyshire, Jean Hogan, Mary Pabst, and Dorothy Pagen; seniors, captain Tru Bolin, Jane Forster, and Mary Powell. Honorable mention went to freshman, Jane Warren; sophomores, Joyce Costello, Dona Sue Finnen, and Eleanor Ingram. Captain Bolin's team won from their fighting opponents by a score of 23-14.

Mary Alice Loye, Janet MacDonald, Dorothy Pagen, Marie Taylor, Virginia Baker.

Betty Kelly, Martha Lake, Pat Jameson, Marietta Taylor, Maurine Caldwell, Barbara Guedel.
Betty Ann Marshall, Diana Burke, Nancy Allen, Ruth Hansen, Isabel Darbyshire.

BASKETBALL (Continued)

One outstanding item might be added concerning the All-Star game. It could have been considered a fashion show because every junior player was dressed in orange shorts, dark blue shirts, bright socks, with red handkerchiefs in their pockets. An amusing incident could be recorded about this. When the juniors saw that they were losing, they all blamed it on various items of their clothes. As in every previous game they had worn ribbons and won, several of the players dug up the ribbons and made their teammates put them on. Izzy Darbyshire, thinking her bright socks were the cause, took them off and put on her more conservative white ones. Ruth Hansen flew around attributing the losing streak to the fact that she was wearing a colored shirt instead of the white sweatshirt she had worn in the games before. Nancy Allen vigorously rubbed her rabbit's foot. Barbara Guedel wanted to change her orange shorts to white ones because she had never sported these in a game before. The same might be said about Diana Burke. It made the game quite amusing to the on-lookers, to say the least.

As a special reward for their victory, Tru's team played a team composed of faculty and alumni. The faculty players were captain Patey, Mrs. Wilson, Mrs. Draves, and Miss Clark. The alumni were Ruth DeYoung, Billie Greenbaum, Beverly Haines, and Marie Orth, all of S'37. Tru's team again emerged victorious by the sinking score of 39-9 after a lot of fun and bruises. This wound up the successful basketball season.

Helen Schneider, Jane Forster, Mary Powell.

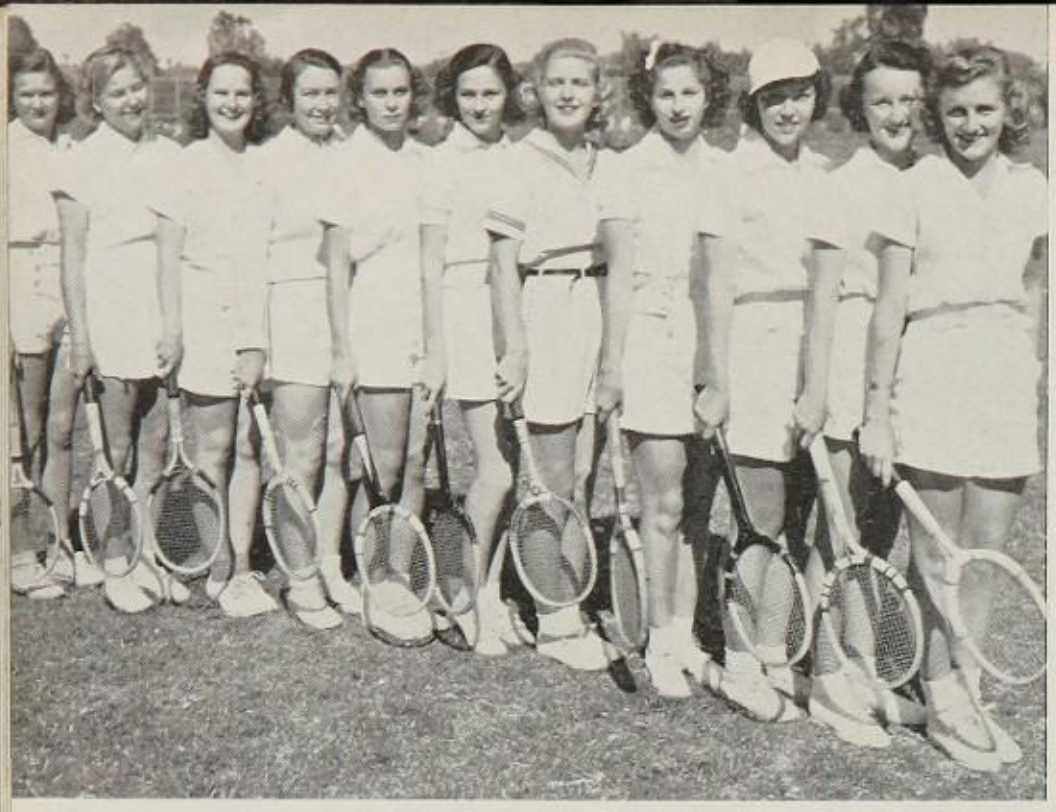
Suzanne Frizzelle, Betty Ann Marshall, Jane Forster, Pat Jameson, Dorothy Pagen, Isabel Darbyshire, Mary Powell.
Martha Darbyshire, Diana Burke, Mary Pabst, Nancy Allen, Barbara Guedel (C), Ruth Hansen, Jean Hogan.

ALL-STARS

TRU BOLIN, forward; small but mighty; outstanding captain.
MARTHA DARBYSHIRE, guard; fast player who sticks to it; height and alertness are advantageous to her.
JANE FORSTER, forward; most cool, steady player on the team.
SUZANNE FRIZZELLE, guard; her quickness and height make her dangerous as a standing guard.
JEAN HOGAN, forward; smaller than average, but makes up for it by being fast and tricky.
MARY PABST, forward; an excellent shot from all points on the court; fitted in well with the teamwork of senior forwards.
DOROTHY PAGEN, guard; strong standing guard; not afraid to go after her opponents; never caught asleep.
MARY POWELL, forward; best long shot on the team; able manager of the basketball season.
NANCY ALLEN, forward; sinks them frequently from under the basket; gives the other two forwards excellent teamwork.
DIANA BURKE, forward; all-around player; superior in teamwork.
IZZY DARBYSHIRE, forward; keeps the team pepped up and fighting all the time; does her share as well.
BARBARA GUEDEL, guard; captain; seems to be everywhere needed; fits into any playing combination.
RUTH HANSEN, forward; puts them away with very little trouble; snappy teamwork.
PAT JAMESON, guard; outstanding defense player; displays excellent teamwork.
BETTY ANN MARSHALL, guard; forwards can't get away from her.
JEAN TRAVIS, guard; both forward and guard; her guarding is slightly superior.
HONORABLE MENTION:
JOYCE COSTELLO, forward; accurate eye for the basket; makes many loop shots.
DONA SUE FINNEN, forward; noted for her ability to make free shots.
ELEANOR INGRAM, guard; speedy and peppy; covers the territory well.
JANE WARREN, forward; best up and coming freshman; excellent in free shots and field goals; knows what she's about.

BASEBALL

Due to the poor turnout last year there was no official baseball season this year. However, not to be daunted, some of the girls got up enough enthusiasts to fill out two teams and began a series of games against each other. The captains were Peggy Smith and Jane Warren. This baseball season was unofficial, however, because the G.A.A. heads feel that it is much better to have one long unhurried sport season than it is to try to crowd two short seasons into one. The first night of this season witnessed a turnout of well over the necessary twenty players, and the next night saw an even larger turnout. As the season went along the average turnout of twenty-two a night was followed closely. This was just enough to allow every girl to play and yet have a few substitutes with whom to trade off. This unofficial season set an example for future sport seasons in case a sport is not included on the calendar, for it still gives a chance for the particular sport enthusiasts to play the sport.



Beverly Joyce Newman, Louise Brough, Courtaney Perren, Dorothy Pagen, Jane Forster, Eleanor Friedenthal, Suzanne Lloyd, Helen Winston, Nancy Allen, Mary Pabst, Ruth Doiron.

GIRLS' TENNIS TEAM

Competition ran high this year for obtaining a place on the tennis team, but by a ladder tournament the members were finally determined. They are Louise Brough, first singles; Ruth Doiron, second singles; Dorothy Pagen, third singles; Marilyn Magrill, fourth singles; Jane Forster and Nancy Allen, first doubles; Suzanne Lloyd and Mary Pabst, second doubles; Courtaney Perren, Beverly Joyce Newman, Eleanor Friedenthal, Helen and Dorthe Winston, substitutes.

The tennis season actually got under way with an invitational match with Marlborough at Beverly High on April 6. The girls had so much fun that Marlborough offered to be hostesses for a return match on April 19, and the invitation was eagerly accepted. The Bay League schedule started off with a match with Compton at their school. In the opening Bay League match Beverly showed power and skill to win from their opponents by a score of 25-0. On the heels of this followed a match with Leuzinger on May 5. Again Beverly showed superiority in winning a clean sweep from their opponents with a score of 25-0. Santa Monica, May 12; Redondo, May 19; Inglewood, May 26, were next in the path of our determined tennis players.

On April 28, the Beverly tennis players were fortunate in having Norval Craig, Beverly Hills tennis professional, visit them and give a very interesting and educational talk on "Court Tactics."

Two hard-hitting girls, Ruth Doiron and Dorothy Pagen, represented Beverly this year at the Dudley Cup Interscholastic Tournament. They played against stiff competition and were eliminated in the early rounds.

One of the biggest achievements of the year was made at the Ojai Interscholastic Tournament. Beverly was represented by Louise Brough and Marilyn Magrill. Louise Brough, after a lot of hard fought matches, emerged the winner of the Junior Girls' division and returned with a banner to remind Beverly of her well-earned victory.

Maurine Caldwell, Pat Jameson, Ruth Hansen, Sara Norton, Isabel Darbyshire, June Morris, Diana Burke, Connie Upham, Jean Hogan, Miss Patey.

HOCKEY

Menaced with rains, cloudbursts, wind, and, in general, terrible weather, hockey strove to survive. Only the hardiest individuals remained after school to sock the ball around, thus making it necessary to drop the class team idea and to have two color teams in its place. Hockey manager Rosemary Tallant and assistant Jean Hogan, with the help of the sponsor, Miss Patey, rounded up enough girls to fill out two teams which went to Griffith Park for a Hockey Playday. Later one team was chosen to represent Beverly at the Bay League playday at El Segundo. The season wound up with a big final turnout, however, for the incentive was refreshments which were served as a farewell gesture until next year.

SWIMMING

This year, La Cienega was again the scene of the fair Beverly splashers. Joan Benham, manager, was in charge of all the big doings there. The swimming season never fails to get out a record number of girls as was proved again this year. Monday, Tuesday, Wednesday, and Thursday were the swimming days, and every one of these days had a capacity crowd. The swimmers were divided into three groups, the beginning, the intermediate, and the advanced, and a girl fell into these groups according to her swimming ability and experience. Beverly gave a Bay League swimming playday at La Cienega on June 8. The Bay League schools, Redondo, Inglewood, Santa Monica, El Segundo, and Beverly, were all invited. Immediately after this playday Beverly held a competitive one for themselves, with special races for each of the three groups, beginning, intermediate, and advanced. This wound up the successful swimming season as well as all sports seasons for this year's G.A.A. activities.

REDONDO RECREATIONAL PLAYDAY

A new type of playday involving only two schools and consisting of individual sports was introduced this year. On February 28, Redondo was hostess to Beverly. The sports played were archery, tennis, badminton, golf, shuffleboard, ping-pong. Joan Benham was the chairman in charge who saw to it that the proper number of girls went and that all details were attended to, while under her were managers Patty Kitto, archery; Marie Wood, badminton; Dorothy Pagen, tennis; and Gerry Price, golf. It was very enjoyable as it was something different, and plans were made for a return recreational sports playday with Redondo.

BEVERLY RECREATIONAL PLAYDAY

On March 7, Beverly gave a return recreational sports playday for Redondo. The sports were archery, tennis, badminton, and golf. The same managers were in charge, except that Joan Benham relinquished her position to Pat Jameson, the newly installed G.A.A. President. After approximately an hour of play, the girls gathered in the gym, were served refreshments, and were entertained by taking part in the "Big Apple" dance, led by Mrs. Draves, accompanied by Mary Pabst at the piano. This feature playday will undoubtedly take its place in the sports calendar for next year.

SANTA BARBARA BASKETBALL PLAYDAY

As only a few schools play the much faster game of two-court basketball, the G.A.A. contrived to contact one of these schools and arrange for a basketball playday with them. Beverly's first choice was Santa Barbara, so on March 19 two basketball teams headed north. The girls who attended were members of the All-Star teams which are the honorary teams chosen at the end of the fall basketball season. These girls were Nancy Allen, Diana Burke, Joyce Costello, Izzy Darbyshire, Martha Darbyshire, Dona Sue Finnen, Sue Frizzelle, Barbara Guedel, Ruth Hansen, Jean Hogan, Eleanor Ingram, Pat Jameson, Betty Ann Marshall, Dorothy Pagen, Jean Travis. The game opened with the schools playing against each other for one half, and then the teams were mixed; a team of Santa Barbara guards played with Beverly forwards against a team of Beverly guards and Santa Barbara forwards for the second half. The Beverly girls were guests at luncheon and were entertained with social dancing and sight-seeing. Later in the afternoon, Beverly turned toward home, but not without extending an invitation to Santa Barbara for a return playday next year.

GRIFFITH PARK HOCKEY PLAYDAY

Mrs. Wilson and Miss Patey, from Beverly High's Physical Education department are members of the Los Angeles Hockey Association and play on the Pacific team. Because of this affiliation, the G.A.A. became an allied member and was invited to that Association's playday for high school girls at Griffith Park on March 26. About fifteen schools were represented at Griffith Park, two of which were from Beverly, and as there were only three fields, the schools took turns, each team playing two games which were fifteen minutes in length. They had lunch and were entertained by stunts put on by different schools. In the afternoon an exhibition game was played for the girls' benefit, the Los Angeles reserves against the Los Angeles team I. Needless to say, the latter team won. Everyone from Beverly High went over in one bus and did her best to make it as noisy as possible; that is where the fun came in. Those who attended were Nancy Allen, Diana Burke, Maurine Caldwell, Izzy Darbyshire, Beverly Greenfield, Barbara Guedel, Ruth Hansen, Jean Hogan, Pat Jameson, Betty Kelly, Genevieve and Jeanette Miller, June Morris, Sara Norton, Dorothy Pagen, Marie Pilcher, Rosemary Tallant, and Connie Upham.

POMONA PLAYDAY

Every year, because of Mrs. Wilson's affiliation with Pomona College, ten girls are given a chance to participate in an annual spring playday at Pomona. It gives the girls an opportunity to look over the college and become acquainted with some of the faculty and student body. The ten lucky girls were Pat Jameson, Patty Kitto, Pat Loy, Margaret MacPherson, Ann Montgomery, Dorothy Pagen, Doris Prentice, Peggy Rea, Suzanne Reynolds, and Jane Thornburgh. The program was, from 9:00 to 10:00, registration, dressing, which took place in the two girls' dormitories, Harwood Court and Blaisdell Hall, and introductions. From 10:00 to 11:00 the first round of games was played, which included a selection of hockey, basketball, baseball, archery, tennis, badminton, and recreational games. From 11:00 to 12:00 the second round of games was played. At 12:30 lunch was served to all invitees and a small program was the luncheon entertainment. From 1:00 to 4:00 was a continuous gymkhana featuring Pomona and Scripps College riders. Anyone could swim between 2:00 and 4:00 in the Scripps College pool. At 3:00 was the crowning of the May Queen, accompanied by her attendants and a very pretty ceremony. Tea was served afterward. Then the Beverly girls roamed around, seeing the campus sight with the aid of Mrs. Wilson before they turned toward home.

SPEEDBALL PLAYDAY

An enthusiastic group of girls stayed with speedball in spite of all the bad weather, and, so, to reward their efforts, a friendly speedball match was planned between a Beverly team and a Hawthorne grammar school team. Needless to say, the Beverly girls had a lot of fun planning and giving the playday, even though they emerged on the short end of the score.

EL SEGUNDO BAY LEAGUE PLAYDAY

The big Bay League Playday was held at El Segundo this year on April 23, with Redondo, Inglewood, Leuzinger, Santa Monica, and Beverly participating in it. About sixty girls represented Beverly at the big event of the Bay League girls' sports calendar. The girls responsible for our end of the successful playday were Patty Kitto, in charge of individual sports; Jean Hogan, basketball; Sue Frizzelle, speedball; Genevieve and Jeanette Miller, hockey; Anita Granich, volleyball; Dorothy Pagen, tennis. Registration began at 9:00, with the Posture Parade beginning at 9:30. The girls marched in twos, and were judged 75% for individual posture and 25% for general posture. At 10:00 they were dismissed to play their games. There were two periods of play, from 10:00 to 11:00 and from 11:00 to 12:00, with one team playing only one period. Everyone met in the gym for lunch and tried to raise the roof with outbursts of yells and songs. After lunch each school gave a five-minute stunt. Representing Beverly were Evelyn Bowker, who gave a reading, and Diana Burke, who gave a pantomime entitled "What the Boys Go Out With," which was very enthusiastically received. The girls piled in the two busses after this and returned home, satisfied with their performance.

BEVERLY BAY LEAGUE SWIMMING PLAYDAY

La Cienega was the scene of a lot of noise, splashing, shouts and encouragements, and crowds on June 8. This was occurring because Beverly gave a Bay League Swimming Playday there, inviting the Bay League schools, Redondo, Inglewood, El Segundo, Leuzinger, and Santa Monica. Joan Benham was the manager who was in charge of all activities and who was Beverly's star swimmer as well. Entertainment was in the form of exhibition swimming and diving by local and outside swimmers. This concluded the big Bay League swimming playday as well as all others, for this was the last playday of the season.

Mrs. Wilson, Roberta Lamon, Cally Curtis, Margrit Marquis, Joyce Costello. Josephine Gage, Virginia Noe, Pat Brauel, Suzanne Frizzelle, Laurel Reed. Jewel Ogle, Nancy Fleming, Pat Cooper, Ann Andes, Joan O'Reilly.

SPEEDBALL

Rain and general inclement weather could not stay away from the nights of the speedball turnouts. Pat Cooper, manager, was able to round up enough weather-beaten girls for at least two good teams, in spite of old man weather. One good team was chosen to meet opponents at the Bay League playday at El Segundo. The speedball girls were hostesses to a team from Hawthorne School and entertained them with a friendly speedball game, Beverly against Hawthorne, and refreshments. Only ninth graders can come out for speedball, and no ninth graders may come out for hockey. The girls wound up their season with a barbecue at Roxbury Park which topped off an afternoon of recreational games. This definitely met with the approval of everyone concerned and the season ended as a successful undertaking.

GOLF MATCHES

The golf team, as there are no Bay League girls' tournaments, scheduled matches with Redondo and several other schools. Manager Gerry Price arranged enough matches to keep her club busy and to give them competitive experience, as well as to improve their individual games.

GIRLS' LEADERS' CLASSES

The Leaders' classes were formed for the purpose of bringing out the leadership ability in a girl and to acquaint her with the duties of officials at games. Each girl must plan and carry out a program which could be used on days when the physical education classes meet on the gym floor. The "chosen ones" also assist in the planning and conducting of Play Days. The only way a girl may be admitted into these classes is to be recommended by her physical education teacher and to be approved by all the physical education teachers. Mrs. Wilson carries the full duties of the upper leaders' class, while Miss Patey bears the load of the lower leaders' class.
